

You can be part of our future

Our impact will continue to grow with the help of a gift in your will

Over the past few years Courage to Care has been lucky enough to be remembered by members of our community when they made their wills.

Would you consider doing the same?

- A gift for our reserves account gives us resilience
- A gift that allows us to reach more students will increase our reach and impact
- A gift to fund a project will allow us to develop new initiatives and capabilities.

If you are considering making a gift in your will and would like more information about our future plans, please contact Mike Zervos, the CEO of Courage to Care.
