

# BYSTANDER

Take the perspective of a person **who decides not to act**  
**Work together** to answer the following questions.

Consider the situation on the slide

**Q1** What reasons might stop you (a bystander) from doing something?

**Q2** In what ways might you (a bystander) affect the victim and the perpetrator by choosing to do nothing?

**Q3** Who is responsible for the harm experienced by the victim?
